## About Uzbekistan

Uzbekistan is a central Asian country and used to be a part of Soviet Republic. Uzbekistan is known for its wonderful Islamic architecture, most of the buildings that you see would be mosques, mausoleums and other sites connected to the Silk Road. The capital city of Uzbekistan is Tashkent. It lies between the rivers Syr Darya and Amu Darya. Uzbekistan shares its borders with Kazakhstan, Kyrgyzstan, and Tajikistan. Total population of the country is 34,860,000.

### Climate

Uzbekistan has hot and arid climate with occasional rainfalls in winter and spring. Average temperature in Uzbekistan is about 32 degrees Celsius; however it could get to a maximum of 40 degrees Celsius in Tashkent among other cities in the day time. Since Uzbekistan is an extremely hot and might give an impression of a wasteland, houses are constructed in such a way that the windows face away from the sun.

### Language

Uzbekistan population includes people from different countries in Central Asia. Hence; people in Uzbekistan mostly speak Uzbek, Tajik and Russian.

# About Tashkent City

Tashkent is the capital city of Uzbekistan and it is the largest city in Central Asia. The word Tashkent means “stone village” in Uzbek and it is the center of trade and handicrafts in Uzbekistan. It is situated in an industrially developed part of Uzbekistan. There are many of the iconic places in Uzbekistan that are situated in Tashkent. There are many museums, parks and stadiums in Uzbekistan which are beautiful sights to have.
